Attached to this e-mail is the New York State Toxicology Laboratory Workload Survey for calendar year 2012. The information provided in the survey will be used to assess resource needs of forensic laboratories for funds distributed through the Division of Criminal Justice Services. Please make sure to return the completed survey by close of business on Friday March 29, 2013, to ensure that your grant award is not delayed and that your laboratory receives the correct amount of funding.

An interactive form of the Workload Survey can also be accessed through our web-site, www.criminaljustice.state.ny.us. Only electronic copies of the workload survey will be accepted. Completed surveys should be e-mailed to ForensicLabs@dcjs.ny.gov. If you have any questions or concerns, contact Brian Fish at (518)485-5801 or via email at brian.fish@dcjs.ny.gov.

Your cooperation in this matter is greatly appreciated.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Brian J. Gestring', with a long horizontal stroke extending to the right.
