\*Probation intake does not have an opportunity to provided adjustment services in instances where cases are referred immediately to a presentment agency for petition consideration. Thus, this second percentage reflects the percent of cases in which adjustment services were successful based on only those cases in which adjustment attempts were possible.

Source: DCJS Probation Workload System (PWS)

Note: Includes intakes for offenses committed by 16 year olds between October 1 and December 31, 2018.

Prepared by DCJS Office of Justice Research and Performance, May 2019
