

**CERTIFICATION RE: SOFT BODY ARMOR (SBA)
THREAT LEVEL PROTECTION (EXECUTIVE LAW 837-d.6.)**

This is to certify that the protection provided by the SBA vests for which this department is currently seeking State reimbursement is classified by NIJ Standard 0101.03 as capable of protecting the officer to whom it is assigned to at least the ballistic specifications of the standard issue weapon and ammunition assigned or authorized by this department for use by the officer.

HEAD OF DEPARTMENT

Note: Questions concerning the threat level type of SBA models and the ballistic specifications of any firearm or firearms considered by an applicant to be standard issue to or authorized for use by its officers may be directed to:
