## I. INTRODUCTION

The New York State Division of Criminal Justice Services (DCJS) seeks proposals to fund safety and security projects at nonprofit organizations at risk of hate crimes or attacks because of their ideology, beliefs or mission. Approximately twenty-five million (\$25 million) is expected to be available to fund approximately 500 projects throughout New York State.

The total number of hate crime incidents reported to police represent a fraction of all reported crime in the state. Hate crimes, however, target individuals, groups of individuals or property because of a perception or belief about race, ethnicity, sex, sexual orientation, religion or other characteristic as defined by state law. This can result in these crimes adversely affecting entire communities, not just their intended target. New York State tracks these incidents separately from other crimes so trends can be monitored, and the state can remain proactive in efforts to prevent hate crimes and ensure the safety and equal treatment of all New Yorkers.

Through this Request for Proposals (RFP), DCJS is continuing the Securing Communities Against Hate Crimes Program (SCAHC) initiated in 2017 by the New York State Division of Homeland Security and Emergency Services (DHSES). This RFP seeks to strengthen safety and security arrangements at the facilities of New York nonprofit organizations at risk of hate crimes or attacks because of their ideology, beliefs, or mission. In support of this effort, \$25 million in grant funding has been made available on a statewide basis, with the grants administered by DCJS.

DCJS enhances public safety by providing resources and services that inform decision making and improve the quality of the criminal justice system. DCJS is a multi-function criminal justice support agency with a variety of responsibilities, including collection and analysis of statewide crime data; operation of the DNA databank and criminal fingerprint files; administration of federal and state criminal justice funds; identification and funding of programs that reduce crime, recidivism, and victimization. Additionally, DCJS administers the state's Sex Offender Registry.

DCJS is committed to providing programs that improve the effectiveness of New York's justice system. Proposals will be rated and selected for funding consistent with the best interest of the state. Applicants are encouraged to demonstrate in their response to this solicitation how their proposal supports New York's commitment to public safety.

## II. FUNDING, APPLICANT ELIGIBILITY AND CONTRACT TERM

### A. Funding and Award Guidelines

DCJS expects that approximately \$25 million will be made available to support approximately 500 projects. Applications will be accepted for up to \$50,000 **per facility**. Each eligible organization may submit up to three (3) applications for a maximum total of \$150,000. **Each facility will require a separate application.** For purposes of this grant program, a facility is defined as a building, including recreational areas adjacent to the building. A facility that has

previously received funding through a DHSES SCAHC award is not eligible for funding under this RFP, although an organization may apply for grants for up to three (3) other facilities.

As an example, *Organization X* operates a campus incorporating 3 separate facilities: a school building, a separate structure housing a daycare center with an adjacent recreational area and a separate community center. Organization X received funding through a prior DHSES SCAHC award to secure the community center. This organization, if otherwise eligible (see additional eligibility information below), may apply for and submit up to two (2) separate proposals to fund separate projects on this campus --- the school, and the daycare center and adjacent recreational area. The community center at this campus would not be eligible to receive funding under this RFP because it was provided funding through a prior DHSES SCAHC award.

All funding must support project related costs that will be incurred during the contract period. Funding under this program must supplement, not supplant, non-grant funds that would otherwise be available for expenditure on the projects proposed.

## **B. Applicant Eligibility Requirements**

This RFP requests applications to support projects that enhance the safety and security of nonprofit organizations at risk of hate crimes or attacks due to their ideology, beliefs or mission. Nonprofit organizations that have previously received an SCAHC award through DHSES are not eligible to apply for additional awards through this RFP to secure the same facilities. Each applicant must be pre-qualified on-line in the New York State Grants Gateway. Please see Appendix: *Streamlined Grants Gateway Prequalification Process* for instructions on how to become pre-qualified.

To be eligible, applicants must meet all the following requirements:

- Applicants must have received a Recognition of Exempt Status Determination letter from the IRS pursuant to 26 USC §501(c)(3). Alternatively, the applicant may self-certify by providing a letter affirming that the organization qualifies as a §501(c)(3) organization and is exempt from tax pursuant to 26 USC §501(a). The organization must maintain tax exempt status throughout the life of the grant. If the organization's tax-exempt status is jeopardized or placed into question at any point during the life of the grant, the organization must notify DCJS within fifteen (15) days; **AND**
- The applicant must be a nonprofit organization; **AND**
- Must be at risk of a hate crime or attack due to ideology, beliefs, or mission as described by the applicant organization; **AND**

- Must be registered, have recently applied for registration and such application remains pending, or be exempt from registering with the NYS Attorney General’s Office, Charities Bureau; **AND**
- Must be prequalified through the New York State Grants Gateway at <https://grantsmanagement.ny.gov/securing-communities> **prior** to application submission.

**C. Availability and Approved Use of State Funds**

Grant funding will be awarded competitively for allowable interior and exterior facility hardening, physical security enhancements and training of staff or organization members in the use of the security equipment to harden nonprofit facilities at risk of hate crimes. Staff or personnel are NOT allowable costs. Proposals must be for new projects. Grant funds cannot be used to support projects that have been undertaken prior to award or outside the period of the grant contract. Further, grant funds may not be used to fund projects that have already been reimbursed through any other grant program, including but not limited to the Non-public Safety Equipment (NPSE) Program administered by the State Education Department, or the Nonprofit Security Grant Program administered by DHSES.

The Securing Communities Against Hate Crimes Program (SCAHC) advances a common understanding of risk management, i.e., identification of risks and vulnerabilities and corollary methods of reducing and/or eliminating those risks and vulnerabilities. Applicants must have a facility-specific Vulnerability Assessment completed (see section III.A below for additional information) which describes relevant threats and security vulnerabilities and describes how the organization will prevent and protect against hate crimes or attacks targeting their facility. Grant funding must be proposed which will mitigate against those risks and vulnerabilities as identified in the Vulnerability Assessment.

Additional approved use of state funds and costs that are not permissible are described under “Program Description” below.

**D. Contract Term**

Unless otherwise modified by DCJS, the anticipated contract period for this grant opportunity will be for 24 months, beginning no earlier than June 1, 2022.

**I. PROJECT DESCRIPTION**

**A. Vulnerability Assessment**

Applicants must submit a completed application and Vulnerability Assessment for **each** facility for which grant funding is requested. The Vulnerability Assessment shall identify threats to the facility as well as physical and/or human security vulnerabilities. Applicants must use the Attachment: *Vulnerability Self-Assessment Tool* included with this RFP to

satisfy the Vulnerability Assessment requirement. If your organization has a Vulnerability Assessment that has been completed within the past three years, it may be used to satisfy this requirement provided that the assessment reflects current vulnerabilities of the facility.

## **B. Permissible Costs**

The SCAHC proposal must describe the new elements requested for funding in order to mitigate against the risks and vulnerabilities to a hate crime as identified in the Vulnerability Assessment.

Permissible costs to protect against potential hate crime activity include:

- Hardening the organization's facility, including recreational areas adjacent to the facility through exterior and/or interior physical security enhancement; and/or
- Providing security training that will advance the knowledge of security personnel, staff and membership as appropriate.

*(If a paid trainer is to deliver training, the cost should be listed in the budget category of "Consultants." Training materials should be listed under the "Supplies" budget category.)*

### **1. Facility Hardening Costs**

Permissible costs include both internal and external facility hardening structures, devices or equipment that mitigate vulnerabilities identified in the Vulnerability Assessment. Funding can be used for the acquisition and installation of security equipment on real property/existing facilities owned or leased by the nonprofit organization, specifically for prevention of, and/or protection against, hate crimes. Any applicant who proposes work on a leased property is exclusively responsible to ensure compliance with the landlord lease agreement and associated requirements, particularly regarding structural alterations, equipment installations and any alterations made with grant funds. Additionally, the applicant/grantee is solely responsible for compliance with any and all State and local permitting or environmental compliance requirements. **Security enhancements must be for the facility or facilities that the organization physically occupies at the time of application.** Allowable equipment consists of, but is not limited to, the following external and internal facility hardening projects:

- Perimeter lighting;
- Door hardening/locking;
- Alarm systems;
- Camera-based security systems;
- Access control systems;
- Perimeter fencing, barriers, bollards;
- Blast resistant film for windows/shatter resistant glass;

- Interior door hardening/locking mechanisms;
- Panic Button/Lock-Down systems;
- Public Address (PA) Systems

Please note that external security vulnerabilities should be given priority before requesting internal security projects under this grant program.

Please refer to Appendix: *Best Practice Guide for Securing Your Facility* for further guidance on recommended security considerations and enhancements.

## 2. Security Training Costs

The SCAHC Program for nonprofit organizations allows costs to train security personnel and other appropriate staff or organization members to prevent and protect against acts of security threats and hate crimes. Allowable training topics are limited to the protection of physical security and training that will advance the knowledge of security personnel and/or staff or membership about hate crime activity, suspicious behavior; emergency evacuation procedures and similar topics that will secure the organization.

All training will require prior DCJS approval and must be within the United States, preferably within New York State. Out of state travel must be requested in writing and approved in writing by DCJS.

Allowable training costs include, but may not be limited to, the following:

- Attendance fees for training;
- Costs for training materials and supplies;
- Travel related costs to attend training.

## C. Non-Permissible Costs

The following projects and costs are **not permissible** for award consideration:

- A project at a facility that has previously been funded through an SCAHC grant through DHSES;
- Anticipated security costs for facilities not yet built or existing;
- Security costs for facilities not being occupied by the organization;
- Personnel costs, including the hiring of security or safety personnel;
- General-use and maintenance expenditures;
- Overtime and backfill costs;
- Ancillary construction costs;
- The development of risk/vulnerability assessment models;
- Proof-of-concept initiatives;
- Organizational operating expenses or overhead costs;
- Reimbursement of pre-award costs or grant writing costs; and

- Indirect costs

## II. BEST PRACTICES AND REFERENCE MATERIALS

### A. Best Practices

See Appendices “*Best Practices for Preparing an Effective Grant Application*” and “*Best Practice Guide for Securing Your Facility*” included in this RFP.

### B. Reference Materials

Please see Appendix: *State and Federal Resources for Facility Security* included in this RFP.

## III. EVALUATION AND SELECTION OF APPLICATIONS

### Tier I Evaluation

The Tier I Evaluation assesses whether proposals satisfy minimum “pass/fail” criteria for funding. All proposals will be initially screened by DCJS or other state agency reviewers to determine their completeness using the following criteria:

- Proposal was received by the published deadline;
- Applicant is eligible as defined by this solicitation; and
- Applicant is an eligible, **prequalified** entity in the Grants Gateway. This prequalification requirement may be satisfied through the traditional prequalification process or by prequalifying through a new Securing Communities Streamlined Prequalification Process. Information on prequalifying in Grants Gateway can be found at <https://grantsmanagement.ny.gov/securing-communities>.

To pass Tier I, the submitted proposals shall include:

- Answers to all questions 1-14 as presented in this RFP. Questions must be answered in the Questions tab of GMS and include a Word copy attachment in GMS;
- Budget detail and justification provided in GMS Budget tab itemizing eligible expenses in support of the project;
- Completed Project Work Plan. A standardized project work plan is included as an Appendix to this RFP and should be copied into the Work Plan tab of GMS.
- All attachments and required documents:
  - Completed Vulnerability Assessment – See Attachment: *Vulnerability Self-Assessment Tool*. Complete the Assessment and upload as an attachment in the DCJS electronic grants management system, GMS. Each facility requires a separate

application; and a separate Vulnerability Assessment must be completed for each facility for which funding is requested.

- A color, ground-level photo of the front façade of the facility and/or recreational area—close enough to show the location, but far enough away to show the immediate surroundings of the location for each application. The photo should be labeled with the name and address of the facility submitted as an attachment in GMS.
- Securing Communities Grants Streamlined Prequalification Certificate or Status History Report from Grants Gateway showing a prequalification status of “Document Vault Prequalified.” Submit as attachment in GMS.
- If you used the Streamlined Prequalification process, you must upload your IRS 501 (c) 3 determination letter or statement of exemption on letterhead and a substitute W-9 form as attachments in GMS.

**Any proposal that does not meet each of these conditions shall be subject to disqualification from further review.**

### **Tier II Evaluation**

DCJS or other state agency staff reviewers will evaluate proposals that successfully pass the Tier I Evaluation. A standard rating tool will be used to score responses to questions provided in the proposal (see *Questions* section for additional information). The maximum proposal score based upon responses to the questions will be 100 points. Applicants that have not previously received a SCAHC award from DHSES will receive 5 bonus points. Each response will be scored, and all scores will be totaled - including bonus points - resulting in an overall score. The final score will be determined by averaging Team Reviewers’ overall scores for each proposal. Applicants must attain a minimum proposal score of 70 points to be eligible for funding. DCJS may, at its discretion, request additional information from an applicant as deemed necessary. In the event of a substantial scoring disparity between reviewers, an additional reviewer may rate the affected proposals and the average of all the scores will determine the final average score of the proposal. In the event of a tie score among applicants, and where both applicants cannot be selected, the applicant with the highest risk score will be given priority.

### **Tier III Evaluation**

The Tier III Evaluation will be conducted by designated DCJS executive staff. During the Tier III Evaluation, applicants shall be selected for funding and award amounts shall be determined through consideration of some or all the following: Tier II Evaluation scoring and comments, strategic priorities, overall risk score of each application, available funding and best overall value to New York State.

Final award decisions will be made by DCJS in accordance with the best interests of the State.

Nothing herein requires DCJS to approve funding for any applicant.

The DCJS Executive Deputy Commissioner or designee will make final decisions regarding approval and individual award amounts based on the quality of each submission, the recommendations of the reviewers, specific criteria set forth in this solicitation and, where applicable, geographic balance and comparative crime and/or risk level. Awards must be approved by the Division of the Budget and may also require Attorney General and Office of the State Comptroller approval. **All awards are subject to availability of state funds.**

#### IV. REQUEST FOR PROPOSAL QUESTIONS

**Important Reminders - In addition to answering the questions below and completing any other contractual requirements described in this RFP, all Applicants are required to complete and/or submit the following:**

- Securing Communities Grants Streamlined Prequalification Certificate or Status History Report from Grants Gateway showing a prequalification status of “Document Vault Prequalified.” Submit as attachment in GMS.
- If you used the Streamlined Prequalification process, you must upload your IRS 501 (c) 3 determination letter or statement of exemption on letterhead and a substitute W-9 form as attachments in GMS. See Attachment: *Substitute W-9* in this RFP.
- Completed Vulnerability Assessment – See Attachment: *Vulnerability Self-Assessment Tool*. Complete the Assessment and upload as an attachment in the DCJS electronic grants management system, GMS. Each facility requires a separate application and a separate Vulnerability Assessment must be completed for each facility for which funding is requested.
- A color, ground-level photo of the front façade of the facility and/or recreational area —close enough to show the location, but far enough away to show the immediate surroundings of the location for each application. The photo should be labeled with the name and address of the facility submitted as an attachment in GMS.

Any proposal that does not meet each of the above **shall be subject to disqualification** from further review. See RFP Section V. *Evaluation and Selection of Applicants* for additional information.

Any project funded under this solicitation must comply with the requirements established by DCJS. The grantee agrees to submit any other reports considered relevant by DCJS.

### **Performance Review**

The grantee's performance in all areas mentioned above, in addition to the services contracted for, will be monitored periodically by DCJS or its designee agency, and may take the form of site visits, project file review, written and telephone communication, or any other methods deemed necessary by DCJS to ascertain the quality and quantity of grantee activities.

### **Disposition of Allocations**

DCJS reserves the right to reject applications, deny awards, or defer applications for future consideration based on insufficient information in the application, lack of accompanying documentation, the inappropriateness of the project proposed, an organizational history of unsuccessful projects of a similar nature, or a history of contract non-compliance.

### **Revocation of Funds**

Funds awarded to an applicant who does not initiate an approved project within 90 calendar days of the contract start date may be revoked and redistributed at the discretion of the Executive Deputy Commissioner of the DCJS or designee.

### **Encouraging Use of New York State Businesses in Contract Performance**

New York State businesses have a substantial presence in State contracts and strongly contribute to the economies of the State and the nation. In recognition of their economic activity and leadership in doing business in New York State, applicants for this solicitation are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract(s) resulting from this solicitation. Such partnering with New York State businesses may be as subcontractors, suppliers, protégés or other supporting roles. To assist in demonstrating commitment to the use of New York State businesses in the performance of the contract(s), all applicants must complete the form provided on the DCJS website entitled: [Encouraging Use of New York State Businesses in Contract Performance](#) and submit the completed form as an attachment to their application in GMS. There are no points attributable to this component of the application.

### **Use of Service-Disabled Veteran-owned Business Enterprises in Contract Performance**

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at <https://online.ogs.ny.gov/SDVOB/search>.

Bidders/applicants need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that

may be obtained from non-SDVOBs. Furthermore, bidders/applicants are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law. Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector projects that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/applicants to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

Bidders/applicants can demonstrate their commitment to the use of SDVOBs by responding to the questions on the form located [here](#) and attach the completed form, along with your Application, to the NYS Division of Criminal Justice Services' Grants Management System (GMS). There are no points attributable to this component of the application.

### **Standard Contract Provisions**

Any contracts negotiated as a result of this solicitation will be subject to the provisions of the Master Grant Agreement, including the State Specific Terms and Conditions, Agency Specific Terms and Conditions, Program Specific Terms and conditions and other standard clauses for all New York State grant contracts with DCJS. Applicable contract appendices and attachments are available on the DCJS website at <https://www.criminaljustice.ny.gov/ofpa/applcmtgrntfrms.html>.

### **Minority and Women-Owned Business Enterprises (M/WBE) and Equal Employment Opportunity (EEO) Requirements**

DCJS recognizes its obligation under New York State Executive Law Article 15-A to promote opportunities for the participation of certified minority-and women-owned business enterprises (M/WBEs), as well as the employment of minority group members and women in the performance of DCJS contracts.

Contracts in excess of \$25,000 require grant recipients to document good faith efforts to provide meaningful participation by M/WBEs as subcontractors or suppliers in the performance of grant contracts, as well as the employment of minority group members and women.

Accordingly, applicants requesting in excess of \$25,000 must be prepared to submit a Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form (DCJS-3301), and a Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet (DCJS-3309). All forms are located at <http://www.criminaljustice.ny.gov/ofpa/mwbe/index.htm>.

DCJS will review the submitted Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form, Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet, and Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement and

advise the applicant of DCJS' acceptance once an award determination is made. For additional information regarding M/WBE requirements see also <https://www.criminaljustice.ny.gov/ofpa/applcngtrntfrms.html>. There are no points attributable to this component of the application.

### **Sexual Harassment Prevention Certification**

As of January 1, 2019, bidders on procurements subject to competitive bidding in New York State, are required to submit a certification with every bid that states they have a policy addressing sexual harassment prevention and that they provide sexual harassment training to all employees on an annual basis. Pursuant to State Finance Law §139-l, bidders responding to a competitively bid Request for Proposals (RFPs) must certify that by submission of their bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies its own organization, under penalty of perjury, that the bidder has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of section two hundred one-g of the labor law. Bidders that do not certify will not be considered for award; provided however, that if the bidder cannot make the certification, the bidder provides a signed statement with their bid detailing the reasons why the certification cannot be made.

In addition to requiring this certification for competitively bid RFPs, DCJS has included this requirement for all grantees receiving funds from DCJS. Grantees must provide certification that they have implemented a written policy addressing sexual harassment prevention in the workplace and that they provide annual sexual harassment prevention training to all their employees.

Therefore, all applicants to this RFP must complete the certification provided on the DCJS website at:

[https://www.criminaljustice.ny.gov/ofpa/pdfdocs/sexual\\_harassment\\_prevention\\_policy\\_training\\_cert.pdf](https://www.criminaljustice.ny.gov/ofpa/pdfdocs/sexual_harassment_prevention_policy_training_cert.pdf) and submit the completed certification as an attachment to the application in GMS.

## Appendix: GRANTS GATEWAY PREQUALIFICATION PROCESS

Nonprofit organizations interested in applying for the Securing Communities Against Hate Crimes grants for nonprofit organization's facilities at risk of hate crimes must meet prequalification requirements. This prequalification requirement can be met by either prequalifying through the traditional *full* prequalification process or by prequalifying through the new streamlined prequalification process outlined below. Additional information on prequalifying can be found at <https://grantsmanagement.ny.gov/securing-communities>.

The traditional prequalification process in Grants Gateway is unchanged, and instructions can be found on the "Get Prequalified" page of the Grants Management website. However, a *streamlined process* has been developed for applicants to the **Securing Communities Against Hate Crimes RFP**. ***Organizations prequalified through the traditional or "full" prequalification process are eligible to apply for or receive grant award(s) from any state agency, whereas organizations prequalified through the streamlined prequalification process are only eligible to apply for and receive Securing Communities Against Hate Crimes grants.***

**Streamlined Prequalification Process** - To provide access to the new streamlined prequalification process, the Grants Management website now displays a banner across the top of the page that links to the streamlined prequalification page.

The new streamlined prequalification process is as follows:

1. The nonprofit organization downloads the Securing Communities Grants Streamlined Prequalification Questionnaire from the Grants Management website to complete.
2. Once completed, the nonprofit organization either submits the completed form and the required documentation via email or mail to the Grants Management team.
3. The Grants Management team will:
  - a. assign the submission a tracking/certificate number;
  - b. log the submission recording the tracking/certificate number, organization name, contact name, contact email, date received, agency assigned to review, date sent to agency; and
  - c. send the submission to the appropriate agency (DCJS for this RFP) for review and approval.
4. The agency will review the submission according to the guidelines below. If there are any questions for the nonprofit organization, they should be emailed by the agency to the contact provided on the form.
5. Once the review is completed and the agency approves the submission, the agency will email the Grants Management team at [grantsgateway@its.ny.gov](mailto:grantsgateway@its.ny.gov) to notify them of the approval and include any additional supporting documentation submitted by the nonprofit organization during the review process.
6. The Grants Management team will log the date the agency approved the streamlined prequalification and the date the certificate is sent to the nonprofit organization.

7. The Grants Management team will complete and send the certificate to the nonprofit organization and copy the agency that certified them on the email. The following text will be included in the email:

*The attached document certifies that your organization has met the standards for the Securing Communities Grants Streamlined Prequalification. Please keep a record of this certificate as it may need to be submitted as part of your application. For any application related questions, please reach out to the email provided for questions on the cover of the Request for Proposals (RFP).*

### **Review Guidelines**

The submission from the nonprofit organization must include a) the completed Securing Communities Grants Streamlined Prequalification Questionnaire, b) certification of incorporation or equivalent document, and c) organization leadership profiles. If any of this documentation is missing, email the contact provided on the streamlined prequalification questionnaire requesting the necessary documentation. Upon receipt of a completed submission, the State must complete its review within 5 business days.

### **Streamlined Prequalification Questionnaire**

The integrity questions pertain to matters of organizational and business ethics and responsibility and are structured in a Yes or No format. For any “Yes” answer, the nonprofit organization must provide a complete explanation in the comment box. If the answer is not complete and you do not fully understand the issue and the outcome, email the contact provided on the form to request clarification and/or additional information. If questions remain after clarification is provided, notify your agency counsel or Executive Deputy Commissioner and the Grants Management team so we can advise staff accordingly.

### **Certification of Incorporation or Equivalent Document**

Do not approve the application until evidence of incorporation is submitted. Acceptable documents to satisfy this requirement include:

1. A Certification of Incorporation issues by the NYS Department of State
2. A Charter Issued by the NY State Education Department (SED)
3. A County Certificate of Incorporation and Bylaws for a Religious Organization
4. Articles of Incorporation for a Foreign Corporation (including certification showing that the organization is registered to do business in NY State).

If the organization name has changed since the time of incorporation, they must attach the Certificate of Assumed Name provided by the Department of State.

Note: If the vendor provides a letter from SED stating that “it approves the incorporation of the entity” then make sure the vendor has also submitted the referenced incorporation documents.

**Organization Leadership Profile**

If the submission does not clearly outline the leadership structure of the organization and identify any governing Board of Directors (including Officers and Committees of the Board) OR Senior Leadership Team (including the Chief Executive Officer, Chief Financial Officer, Executive Director, President or other high-ranking officials), email the contact provided on the form to request clarification and/or additional documentation as necessary.

For submissions identifying the Board of Directors, the Officers and Committees of the Board should be listed. Under the New York Not-for-Profit Corporation Law (N-PCL), a nonprofit organization governed by the N-PCL, upon formation, must name a minimum of 3 individuals to serve as its initial board members. In some cases, organizations may be very small and state that they have not taken the time to assemble a board. However, governance with at least 3 board members is legally required.

**General Prequalification Information** - Pursuant to the New York State Division of Budget Bulletin H-1032, dated June 7, 2013, New York State has instituted key reform initiatives to the grant contracting process, which require not-for-profits to register in the Grants Gateway and complete the Vendor Prequalification process for grant proposals to be evaluated. Information on these initiatives can be found on the [Grants Gateway Website](http://www.grantsreform.ny.gov/) at <http://www.grantsreform.ny.gov/>.

Specific questions about the prequalification process should be referred to your agency representative or to the Grants Gateway Team at [grantsreform@budget.ny.gov](mailto:grantsreform@budget.ny.gov).

Once your Prequalification Application has been approved, you will receive a Gateway notification that you are now prequalified to do business with New York State.

**Vendors are strongly encouraged to begin this process as soon as possible to participate in this opportunity.**

Create template messages for emergencies that can be disseminated to staff, volunteers, parents, and/or the media following an incident.	Purchase screening equipment and conduct screening and/or bag checks during events to detect suspicious items.
Use trash receptacles that can be easily checked for suspicious objects, such as wire-style cans with transparent bags and locate them away from entrance and egress points to limit places that can be used to conceal items.	Implement vehicle barriers or bollards to prevent vehicular access to pedestrian walkways, courtyards, playing fields, and other key locations.
Establish Go Bags with supplies you may need in an emergency. They should be kept in different locations at your venue and at an evacuation site.	Use self-locking doors that are compliant with fire codes but provide safe havens.
