

47.3 High Visibility Clothing

OPERATIONS

STANDARD 47.3 **The agency has a written directive that requires personnel to wear high-visibility clothing when directing traffic.**

Commentary: This standard refers to times when officers are normally assigned to traffic posts or are assigned for prolonged traffic details. Examples of high-visibility clothing include raincoats or reflective vests or belts.

Compliance Verification Strategies

Assessors may seek to verify agency compliance with this standard by using one or more of the strategies listed below. There may be other strategies identified by the agency which could also be acceptable.

1. A copy of the written directive is available for review.
2. Interview(s) with agency personnel normally assigned to traffic posts to verify compliance with the standard.
3. Observation(s) of traffic details to verify that high visibility clothing is being used.
4. Review of quartermaster/supply records to confirm that high visibility clothing has been distributed to appropriate personnel.
