

47.4 Speed Measuring Devices

OPERATIONS

STANDARD 47.4 **The agency has a written directive that governs the maintenance of speed measuring devices in traffic law enforcement.**

Compliance Verification Strategies

Assessors may seek to verify agency compliance with this standard by using one or more of the strategies listed below. There may be other strategies identified by the agency which could also be acceptable.

1. A copy of the written directive is available for review.
2. Interview(s) with agency personnel responsible for maintaining these devices to verify compliance with the directive.
3. Interview(s) with agency personnel who operate these devices to verify their understanding of and compliance with the directive.
4. Maintenance records for these devices are available for review.
5. Observation of personnel operating these devices to verify that officers are complying with the directive.
