

6.2 Safeguarding Agency Weapons - CRITICAL STANDARD

ADMINISTRATION

STANDARD 6.2 **The agency has a written directive that outlines the procedures used for the secure storage, control, inventory and safeguarding of agency weapons and ammunition maintained in an armory or other secure setting.**

Compliance Verification Strategies

Assessors may seek to verify compliance with this standard by using one or more of the strategies listed below. There may be other strategies identified by the agency which could also be acceptable.

1. A copy of the written directive is available for review.
2. Interviews with agency personnel to verify their knowledge of and compliance with the directive.
3. Observation of the armory or similar setting to verify compliance with the standard.
