

40.2 Supervisor Responsibilities

OPERATIONS

STANDARD 40.2 **The agency has a written directive(s) that identifies the circumstances when a supervisor is required at the scene of an incident.**

Commentary: *The intent of establishing this directive is to give direction to subordinates as to when a supervisor is required at a scene.*

Compliance Verification Strategies

Assessors may seek to verify compliance with this standard by using one or more of the strategies listed below. There may be other strategies identified by the agency which could also be acceptable.

1. A copy of the written directive is available for review.
2. Records and incident reports demonstrating compliance with the written directive are available for review.
3. Interview(s) with supervisory personnel to verify their knowledge and understanding of this directive.
4. Interview(s) with patrol officers to verify their knowledge and understanding of the directive and to verify that the agency's directive is being implemented.
