

**Sexual Harassment Prevention Certification**

As of January 1, 2019, bidders on procurements subject to competitive bidding in New York State, are required to submit a certification with every bid that states they have a policy addressing sexual harassment prevention and that they provide sexual harassment training to all employees on an annual basis.

Pursuant to State Finance Law §139-l, bidders responding to a competitively bid Request for Proposals (RFPs), must certify that by submission of their bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies its own organization, under penalty of perjury, that the bidder has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of section two hundred one-g of the labor law. Bidders that do not certify will not be considered for award; provided however, that if the bidder cannot make the certification, the bidder provides a signed statement with their bid detailing the reasons why the certification cannot be made.

In addition to requiring this certification for competitively bid RFPs, DCJS has included this requirement for all grantees receiving funds from DCJS. Grantees must provide certification that they have implemented a written policy addressing sexual harassment prevention in the workplace and that they provide annual sexual harassment prevention training to all of its employees.
